

# JENNIFER BOREN CAMPOS

Business Owner, P2 Services

Leveraging more than 25 years of professional experience, Jennifer Boren Campos is highly regarded for her astute leadership skills, business acumen and commitment to others. Since 2021, she has served as the business owner of P2 Services. Established in 1990 and currently based in Gainesville, Texas, P2 Services, formerly known as Panhandle Employers Services Inc., is a leading consortium and third-party administrator, providing up-to-date federal Department of Transportation-regulated and non-regulated anti-drug and alcohol misuse testing programs. Catering to the unique needs of contractors and motor carriers, P2 Services is commended for maintaining a comprehensive drug and alcohol testing program that prioritizes confidentiality, safety and security.

Concurrent with her primary endeavors, Ms. Campos has also served as the business manager for NS Boren Properties since 2013. Previously, she was a nurse for the Whitesboro Independent School District from 2015 to 2022, having worked in several similar nursing-related capacities earlier in her career. To wit, she was a marketing admissions nurse at the Gainesville Health and Rehabilitation Center, a field nurse at Victory Home Health and Hospice, and a floor nurse at the Grayson County Jail. Moreover, she served as a hospice nurse at Home Hospice of Grayson County and a medical-surgical nurse at the Texoma Medical Center.

Drawing upon prior training as a licensed vocational nurse, Ms. Campos attended North Central Texas College between 1999 and 2000, where she initially developed her expertise in nursing. Although she has experienced a myriad of achievements, she is particularly grateful for her family whom she raised, emphasizing that her children embody her values and aspirations to showcase their own unique talents and character.

Looking toward the future, Ms. Campos endeavors to expand P2 Services into a thriving enterprise that serves the community and acts as a lasting legacy for her employees and children. Ultimately, she is committed to creating a sustainable, successful organization that will provide ample opportunities for future generations.
